2144 BARRON 2022 – (2183 Mendi x 1885 Werner)

2731.5 STELTS 2024 – (2144 Barron x 2143 Stelts)

The 2144 (17% heavy) is an amazing seed which has produced the second biggest pumpkin ever, the 2731.5 Stelts (which is included in this lot), two others over 2000 and five more over 1500. This is a phenomenal mother-daughter combo and you won't go wrong with either seed.
